## **ABOUT:**

Combining a variety of styles, "A Festive Celebration" has a little bit of everything to provide the perfect closer for any program!

### **FROM THE COMPOSER:**

Celebrate a great concert with "A Festive Celebration"! The opening lyrical section leads into a percussion break, going into the trumpets with the melody, then adding woodwinds with the counter melody. A Western-flavored bridge section leads back into a recap of the original theme in the low brass. We slow the pace down with a nice syncopated groove feel with the woodwinds. The low brass lead us into the trumpet melody repeating the groove section. We have a nice flute solo and then percussion and rhythmic woodwinds adding the brass leading us back to the main theme. The low brass melody takes us driving to the exciting conclusion.

A wonderful overture for your festival or concert program.
