TUX PEOPLE'S MUSIC.

ABOUT:

Featuring a challenging trombone solo part and plenty of percussion, Dance Party's enthralling rhythms will challenge, excite, and entertain your ensemble and audience alike!

FROM THE COMPOSER:
Dance Party: The Untold Story of the Epic Plan to Rule the World One Gliss. At a Time was commissioned by Mark Poole and the Lone Star Wind Ensemble in commemoration of their performance at the 2022 Midwest International Band and Orchestra Clinic in Chicago, IL. The piece is written for advanced (VERY!) trombone soloist and grade 3 band accompaniment.

Programmatically, the piece can best be summed up by imagining a hot-shot trombone virtuoso taking in a night out on the town…where they join in on the fun early…but the party ultimately follows them! If a good time is not had by all, then you're doing it wrong!

In composing the piece, I wanted to create something extremely soloistic and virtuostic for the trombone soloist, while providing accompanying parts that were approachable for multiple ability levels and ages of ensemble performers. As such, great care was taken with instrument ranges, orchestrational doublings, rhythmic content and pitch center selections for the band proper. Although precision is always appreciated, the somewhat instinctively bombastic nature of the piece does provide some context for conductors and performers to live on the edge! I hope that you enjoy Dance Party!
