ABOUT:

Perfectly matching the daily activities of this piece's titular animal, Greg Fhiaras's "Wildcat in the Woods" creatively features every section of the ensemble in this fun and engaging work.

FROM THE COMPOSER:

Imagine a lone wildcat prowling through the piney woods. He never knows what to expect at each turn. Accented brass, along with some smooth woodwinds, have our feline on his way. A mysterious clarinet melody puts our cat on the prowl, where he comes upon some food and pounces as we return to the opening statement. A percussion solo leads us back to the second theme with a countermelody in the flutes and trumpets. The piece comes to an exciting conclusion as the prey has met his match!

DURATION: 1'22"
