ABOUT:

Get ready! Written in honor of a friend, composer Greg Fhiaras's "Drive!" brings to life the exciting thrills and adventures on the highway in this energetic work for concert band.

FROM THE COMPOSER:

"Drive!" is an exciting composition written in memory of a close friend who passed away from COVID-19 - he was a million mile, award winning truck driver and also a musician. Imagine a big rig rolling down the interstate, taking his cargo to his destination. Syncopated rhythms move this piece down the road with a haunting melody in the clarinets. The opening reappears and leads into a tranquil smooth sailing on the road with no traffic. Soon, he rolls into the big city traffic with the low brass melody that pushes to its exciting conclusion as he delivers his goods.
