## **ABOUT:**

Perfect for beginners, "Panther Tracks" uses dynamic variations to illustrate a day in the life of the mighty panther! Cindy Hill's work is an ideal choice for any beginning ensemble.

### FROM THE COMPOSER:

"Panther Tracks" is a Grade ½ piece that uses only the first 6 notes of the B-flat Major Scale. The piano section in the middle represents the panther's walking tracks and the forte sections at the beginning and end represent the panther's running tracks. Your beginning band will enjoy mastering a difficult sounding piece that they enjoy learning.
