## **ABOUT:**

With its expressive melodies, limited instrumentation, and powerful rhythms, this vibrant and uplifting piece intentionally possesses the sound of inspiration!

### FROM THE COMPOSER:

"A New View" was written following a time in my life when I felt most desperate and had lost hope about my future, both professionally and personally. This piece represents the time in which I acquired a new optimism and hope about my own future, thus giving me "A New View" of life and all of its wonderful possibilities.

It is my hope that this piece will be heard as an inspiration to both performer and listener - that no matter the struggle and desperation life possesses, there is always hope and the possibility of a better future on the horizon.

DURATION: 2'40"
