ABOUT:

Embark on a thrilling adventure with a piece that ensures fun for all! Its blocked writing and emphasis on counting and rests complement a melody that every player will be able to enjoy!

FROM THE COMPOSER:

Fly down the snowy hill on a toboggan all day and let your cares melt away! The concert band is often divided between upper and lower instruments, allowing the melody to be played by each section. Counting and rests are enforced in this piece as well as dynamics.

This piece is great for winter concerts, but can be played all year long!
