ABOUT:

Drawing upon the American main street of old, this tune is a perfect companion piece for any holiday program! Its energy drives the momentum forward, but its familiar march tempo and limited usage of sixteenth notes make it perfect for students of any age!

FROM THE COMPOSER:

"Christmas on Main Street" depicts a horse-drawn sleigh ride on the town's Main Street, with visions of Christmas carolers on street corners, children looking in glee at new toys in store windows, the ringing of church bells, and a multitude of other Christmas festivities. This piece could be considered a companion piece to classic Christmas works such as Leroy Anderson's "Sleigh Ride," and is also inspired by the style of American marches. I hope you and your band enjoy performing "Christmas on Main Street."
