TUX PEOPLE'S MUSIC.

ABOUT:

Calling forth the merriment of the holiday season with its ample percussion and jovial themes, this is an excellent young band concert piece suitable for any winter-themed performance!

FROM THE COMPOSER:
"Merry-ment and Joy" is a fun, upbeat, and familiar tune written for a beginner band using the first five notes of the concert B-flat major scale. When writing this piece I wanted to do a play on words with the title of the piece, spelling the word Merryment with the "Merry-" at the start, instead of "Merri-," to help enhance the meaning behind the word "Merry." This piece teaches the importance of playing as a group, dynamics, breathing in the proper places, and percussion independence while keeping everyone in the ensemble involved and an active participant of the piece. "Merry-ment and Joy" will be a great addition to your holiday concert!
