## ABOUT:

This syncopated quickstep march is just as fun to play as it is to hear, offering plenty of opportunities for soloistic expression along the way!

FROM THE COMPOSER:
The Columbia River, which runs along the border between Washington and Oregon, is a beautiful and awe-inspiring landmark. The Columbia River basin comprises some 260,000 square miles, and it is the fourth largest river in North America. This light-hearted piece for concert band captures both the fun, energetic spirit of the outdoors and the majestic grandeur of the Columbia River Gorge.
