ABOUT:

Take an opportunity to slow down and enjoy the moment with Tropical Breeze. Cindy Hill's work, which heavily features 3 over 2 polyrhythms and multiple positions, is full of great teaching opportunities that your students will love to play!

FROM THE COMPOSER:

A needle in a haystack! Three against two. Yes, duple against triple...but only for 8 measures. This is an entertaining introduction to polyrhythm. This tropical sounding piece is in 4/4 but is filled with quarter note triplets in all instrument sections. It is in C Major and the first violin part goes up to C on the E string. The melody and rests make the shifts easy between first and third or second positions. This piece has tons of teaching opportunities, is fun to play, and is an instant audience pleaser.

DURATION: 2'53"
