ABOUT:

Perfect for your next winter or holiday concert, "Winter Stroll" is original, yet feels familiar. The charming tune recalls picturesque walks on snowy days. Part doubling and an optional piano part make this work highly accessible!

FROM THE COMPOSER:

Perfect for your next winter or holiday concert, "Winter Stroll" is wintery without being an actual holiday song. For an added bonus, there is an optional piano or harp part. The melody starts in the cello and bass parts and moves throughout the rest of the orchestra. The second violin and viola parts are doubled as are the cello and bass parts.

DURATION: 1'35"
