ABOUT:

Composer Jason Taurins's latest pasodoble is an engaging and spirited march for your ensemble that perfectly tributes Mt. Wrightson and its most famous observatory.

FROM THE COMPOSER:

Mt. Wrightson March began as a sketch of the mountain taken in Green Valley, AZ. The opening Mannheim rocket follows the contour of the mountain as it pierces the skyline. The tallest peak in its range, Mt. Wrightson is home to an observatory which is famous for helping discover liquid water on Mars. We hope you enjoy this exciting pasodoble!

DURATION: 2'31"
